

# Step-By-Step Instructions

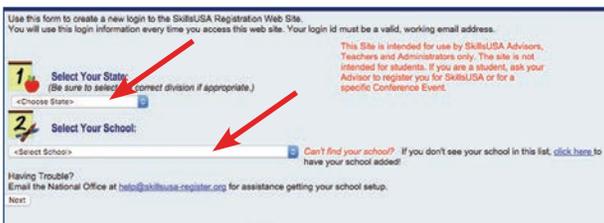

**1** Go to the SkillsUSA website at [www.skillsusa.org](http://www.skillsusa.org) and locate **JOIN** at the top of the page. Click the **JOIN** button to proceed.

**2** If you are a new advisor, you will need to create a login by clicking on the **Create Login** button. If you are a current advisor, simply log in and proceed to the registration page, then continue to follow the instructions in **Step 7**.

**3** When creating your login for the first time, you will be asked to select state and school. You must have an active chapter to be able to locate your school. If your chapter is not active, you will need to contact SkillsUSA at 703-777-8810.

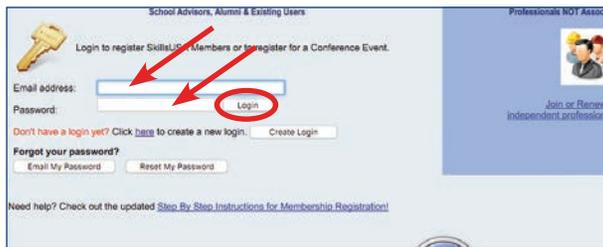

**4** Next, you are required to enter your email address and provide a password.

**5** If prompted, please answer the Secret Question for password security, then select **Create Login**.

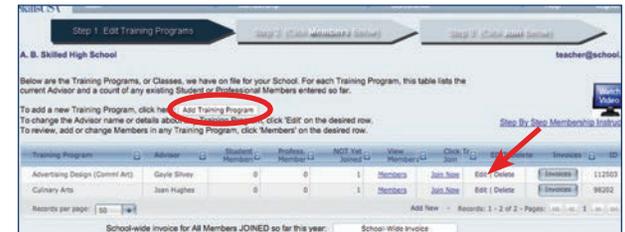

**6** You will be taken back to the Login screen. Use your email address and password to log in.

**7** Here you will be able to add members or register for conferences. Select **Membership** to add members.

**8** If you are a new advisor, you will need to **Add Training Program**. If there is not a new training program to add, but instead there is a change in advisor, simply select **EDIT** on the line of the former advisor's trade area to change the name and email to reflect your name.

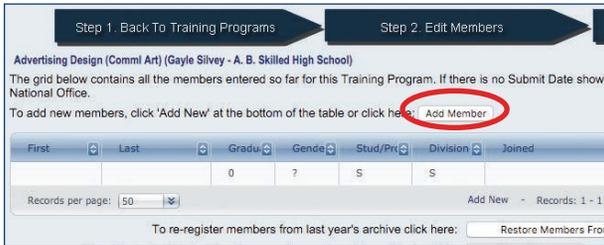

**9** Now you are ready to join members. Select **Members** to begin to add membership. (Note: If you want a separate invoice for teachers and one with just students on it, then enter the advisor first and hit Submit, then enter the student names and hit Submit.)

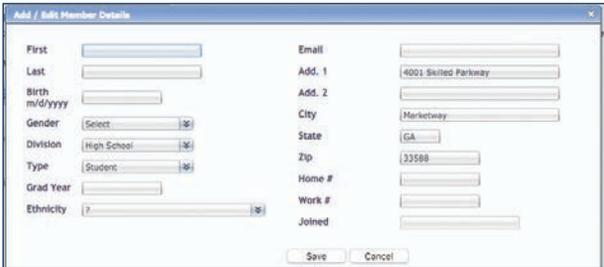

10

Then select **Add Member** and the Membership Details record will appear.

11

Complete the requested information for each member. Students should only be entered into one training program to prevent duplicates. Continue to save and add new members until all members have been entered into the system. Be sure to enter yourself as a Professional member.

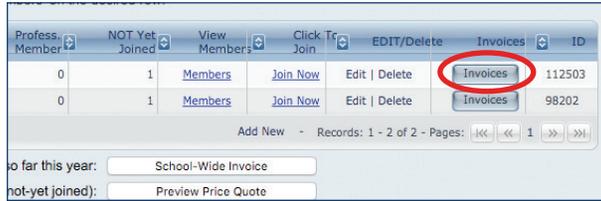

12

You are ready to submit your membership to SkillsUSA by selecting **Join Now**. Follow the steps for payment method and an invoice will be generated. Please be reminded there can be no deletions or changes once membership has been submitted.

13

To print a copy of your invoice, simply select the **Invoices** button.
